Allah Hoo Allah Hoo

Chorus

Allah hoo, Allah hoo, Allah hoo...

Allah hoo, Allah hoo, Allah hoo...

Ye zameen jab na thi, ye jahan jab na tha

When this land was nothing, and neither was this world

Chand suraj na they, asmaa jab na tha

When the moon and sun didn't exist, neither did the universe

Raaze haq bhi kisi par ayaa jab na tha

When the secret of existence wasn't bestowed upon anyone

Tab na tha kuch yaha, tha magar tu hi tu...

When there was nothing there, there was nothing but you!

Chorus

Allah hoo, Allah hoo, Allah hoo...

Allah hoo, Allah hoo, Allah hoo...

La-e-laha teri shaane ya wahada-hu

There is no one but you, you are the splendor that you promised

Tu khayal-o-tajassus, tu hi aarzoo

You are the curiosity, you are the desire

Aaankh ki roshni, dil ki awaaz tu

You are the light of my eyes, and the voice of my heart

Tha bhi tu, hai bhi tu, hoga bhi tu hi tu

You are, you were and there will be only you

Chorus

Allah hoo, Allah hoo, Allah hoo...

Allah hoo, Allah hoo, Allah hoo...

Pohanche meraj mein arsh tak mustafa

When the Prophet made meraj to the throne

Jab na mabood o banday mein parda raha

And the veil between the Lord and servant was lifted

Tab malaik nay hazrat say jukh kar kaha

The angels bowed down to the Prophet and said

Saari makhlook mein, haq numa tu hi tu

In All of creation, you are the embodiment of Haq

Chorus

Allah hoo, Allah hoo, Allah hoo...

Allah hoo, Allah hoo, Allah hoo...

Khaliq-E-Kul Hai Tu, Is Mein Kya Guftagu

You Are The Creator Of Every Thing, Without Doubt

Sare Alam Ko Hai Teri Hi Justaju

The Entire Universe Is Busied With It's Seeking Of You

Teri Jalvagari Hai Ayan Charsu

Your Sublime Manifestations Are Evident In All Directions

Tha Bhi Tu, Hai Bhi Tu, Hoga Bhi Tu Hi Tu

You Were Beginninglessly Eternal Then, Are Ever Present Now, And Will Forever Be Endlessly Eternal

Be Khud Kiye Dete Hain

Mai ne masoom baharo me tumhe dekha hai
Mai ne pur noor sitaro me tumhe dekha hai
Mere mehboob teri parda nashini ki qasam
Mai ne ashko ki qataroo me tumhe dekha hai

Bekhud kiye dete hain andaaz hijaabana...
Aa dil mein tujhe rakh lun ay jalwa e janana!!!

Kyun aankh milayi thi kyun aag lagai thi...
Ab rukh ko chupa bethe karke mujhe deewaana!!!

Ji chahta hai tohfe mein bhejun unhein ankhein...
Darshan ka to darshan ho nazrane ka nazrana!!!

Peene ko to pee lunga bas arz zara si hai...
Ajmer ka saaqi ho bagdaad ka mekhaana!!!

Dunya mein hamein tumne jab apna banaya hai...
Mehshar mein bhi keh dena ye hai mera deewaana!

Tu Kuja Man Kuja

Tu Kuja Man Kuja
Tu Kuja Man Kuja
*Mine is a lowly station
And yours exalted beyond imagination*

Tu Ameere Haram Main Faqeere Ajam

You are commander of the holy sanctuary, And I a poor foreigner

Tere Gun Aur Ye Lab Main Talab Hi Talab

I am but a humble seeker, My sinful lips unworthy to sing your lofty praises

Tu Ata Hi Ata

You are the everlasting blessing

Tu Kuja Man Kuja
Tu Kuja Man Kuja
*Mine is a lowly station
And yours exalted beyond imagination*

Ilham Hai Jama Tera

You are gloriously adorned in the robe of divine revelation

Qur'an Imaama Hai Tera

The Quran forms your exalted turban

Mimbar Tera Arshe Bari

The highest heaven is your mimbar

Ya Rehmatullil Aalameen

O Mercy for the Worlds

Tu Kuja Man Kuja
Tu Kuja Man Kuja
*Mine is a lowly station
And yours exalted beyond imagination*

Mera Har Saans To Khoon Nichoray Mera
With every breath I take a step towards death

Teri Rehmat Mager Dil Na Toray Mera
Yet I fail to accept your blessings (To absolve myself)

Qasa-e-zaat Hu Teri Khairat Hu
For I am a wretched being incomparable to your glory

Tu Sakhee Mai Gada
You are the generous forgiving one while I am the beggar

Tu Kuja Man Kuja
Tu Kuja Man Kuja
*Mine is a lowly station
And yours exalted beyond imagination*

Tu Haqeeqat Hai Main Sirf Ahsaas Hu
You are reality, I merely perception

Tu Samandar Main Bhatkti Hui Pyaas Hu
You are the ocean, I a wandering thirst

Mera Ghar Khaak Par Aur Teri Reh Guzar
My dwelling is on the humble soil, and you journey beyond even the 7th heaven to

Sidratul Muntaha (The Lote Tree)

Tu Kuja Man Kuja
Tu Kuja Man Kuja
*Mine is a lowly station
And yours exalted beyond imagination*

Khusbu Teri Ju-e-Karam

Your scent is the bringer of blessings

Aankhein Teri Baab-e-Haram

Your eyes are the doors to the Haram sharif

Noor-e-Azal Teri Jabeen

Your forehead shines with the eternal noor

Ya Rehmat-al-lil-alameen!

O Mercy to all the worlds!

Tu Kuja Man Kuja
Tu Kuja Man Kuja
*Mine is a lowly station
And yours exalted beyond imagination*

Jagmagao Jo Halaat Ke Samnay

When I panic against the trials of life

Aye Tera Tasavur Mujhay Thaamnay

I am calmed by thinking of you

Meri Khush Qismati Mai Tera Ummati

It is my fortune that I am your follower

Tu Jaza Mai Raza

You are the reward, I am the wish

Tu Kuja Man Kuja
Tu Kuja Man Kuja
*Mine is a lowly station
And yours exalted beyond imagination*

Khairul Bashar Rutba Tera

You are the best of mankind

Aawaaze Haq Khutba Tera

Your sermons are the voice of haq

Aafaaq Tere Saame'een

The heavens are your audience

Saa'is Gibreele Ameen

Jibril the trustworthy is your horse keeper

Ya Rehmatullil Aalameen

O Mercy to all the Worlds

Tu Kuja Man Kuja
Tu Kuja Man Kuja
*Mine is a lowly station
And yours exalted beyond imagination*

Tu Kuja Man Kuja Zikrat Kuja

Allah Allah Nisbat-e-Shah O Gada

You are surely exalted

O God make me follow the helper of the poor

Tu Kuja Man Kuja
Tu Kuja Man Kuja
*Mine is a lowly station
And yours exalted beyond imagination*

Nisbat Teri Imaan Hay

To be your follow is the testament of faith

Khusboo Teri Irfan hay

Your scent is the scent of wisdom

Tafseer Tere Khulq ki Quran Hi Quran Hay

Your glory is explained by the Quran itself

Tu Hasil-e-Dunya O Deen

You are the gain of the world and religion

Ya Rehmat-al-lil-alameen!

O Mercy to all the worlds!

Tu Kuja Man Kuja
Tu Kuja Man Kuja
*Mine is a lowly station
And yours exalted beyond imagination*

Tu Hai Ahraame Anwaar Baandhe Hue

You are covered in the garment of illumination and splendour

Main Duroodo Ki Dastaar Baandhe Hue

And I wear the humble turban cloth of salutations of you

Kaaba E Ishq Tu Main Tere Chaar Soo

You are the Kaaba of love and I make tawaf around you

Tu Asar Main Dua

I am the dua and you it's answer

Tu Kuja Man Kuja
Tu Kuja Man Kuja
*Mine is a lowly station
And yours exalted beyond imagination*

Dawa Hay Teri Chah Ka, Is Ummat-e-Gumrah Ka

This lost nation claims to be your follower

Tere Siwa Koi Nahin

There is none besides you that can guide them

Ya Rehmat-al-lil-alameen!

O Mercy to all the worlds!

Tu Kuja Man Kuja
Tu Kuja Man Kuja
*Mine is a lowly station
And yours exalted beyond imagination*

Dooryan Samney Say Jo Hatnay Lagein

Now the vast distances are getting short

Jaaliyon Say Nigahen Lipatney Lagein

And my eyes can see your blessed tomb

Aansuon Ki Zuban Ho Meri Tarjuman

Let my tears speak for me

Dil Se Niklay Sada

From the depths of my heart I say

Tu Kuja Man Kuja
Tu Kuja Man Kuja
*Mine is a lowly station
And yours exalted beyond imagination*

Bhar Do Joli Meria Ya Muhammad

Bhar Do Jholi Meri Ya Muhammad

Fill my bag, O Muhammad

Lautkar Main Na Jaaoon Ga Khaali

I will not go back empty-handed

Tumhaare aastane se zamaana kya nahi paata

What does the world not receive at your doorstep?

Koi bhi dar se khaali maangne waala nahi jaata

No one who comes asking at your door leaves empty-handed

Bhar Do Jholi Meri Ya Muhammad

Fill my bag, O Muhammad

Lautkar Main Na Jaaoon Ga Khaali

I will not go back empty-handed

Tum zamaane ke mukhtaar ho ya nabi

You are the chosen one of the age, O Prophet

Bekaso ke madadgaar ho ya nabi

And the helper of the friendless, O Prophet

Sab ki sunte ho apne ho ya ghair ho

You listen to everyone, whether they are your own or strangers

Tum ghareebo ke gham khwaar ho ya nabi

You are the comforter of the poor, O Prophet

Bhar Do Jholi Meri Sarkaar-e-Madina

Fill my bag, O Owner of Madina

Bhar Do Jholi Meri Taajdar-e-Madina

Fill my bag, O Sovereign of Madina

Hum hai ranj o musibat ke maare huwe

I am struck with grief and hardship

Saqt mushkil me hai gum se haare huwe

I am in great difficulty, defeated by sorrow

Ya nabi kuch khudaara hame bheek do

O Prophet, give me some alms for the sake of God

Dar pe aaye hai jholi pasare huwe

I have come to your door with my bag stretched open

Bhar Do Jholi Meri Sarkaar-e-Madina

Fill my bag, O Owner of Madina

Bhar Do Jholi Meri Taajdar-e-Madina

Fill my bag, O Sovereign of Madina

Hai mukhaalif zamaana kidhar jaaye hum

The times are against me, where should I go?

Haalat e bekasi kisko dikhlaaye hum

To whom should I show my state of helplessness?

Hum tumhare bhikaari hai ya Mustafa

I am your beggar, O Mustafa

Kiske aage bhalaa haath failaye hum

In front of whom else shall I spread my hands?

Bhar Do Jholi Meri Sarkaar-e-Madina

Fill my bag, O Owner of Madina

Bhar Do Jholi Meri Taajdar-e-Madina

Fill my bag, O Sovereign of Madina

Bhar do jholi meri ya Muhammad

Fill my bag, O Muhammad

Lautkar mai na jaaunga khaali

I will not go back empty-handed

Kuch nawaso ka sadqa ataa ho

Let me gain some of your grandsons' charity

Dar pe aaya hu bankar sawaali

I have come to your door to ask from you

Haq se paayi woh shaan e kareemi

Rightfully you have attained your beneficent glory

Marhaba dono aalam ke waali

Welcome, O Master of Both Worlds

Uski qismat ka chamka sitaara

The star of fate shines upon

Jis pe nazr e karam tum ne daali

Whomever you look at with kindness and favor

Bhar Do Jholi Meri Sarkaar-e-Madina

Fill my bag, O Owner of Madina

Bhar Do Jholi Meri Taajdar-e-Madina

Fill my bag, O Sovereign of Madina

Zindagi baksh di bandagi ko

He sacrificed his life to worship God

Aabroo deen e haq ki bachaali

And saved the honor of the religion of truth

Woh muhammad ka pyaara nawasa

That beloved grandson of Muhammad,

Jisne sajde me gardan kataali

Whose neck was cut in prostration

Bhar Do Jholi Meri Sarkaar-e-Madina

Fill my bag, O Owner of Madina

Bhar Do Jholi Meri Taajdar-e-Madina

Fill my bag, O Sovereign of Madina

Hashr me unko dekhenge jis dam

The moment they see him (Muhammad) on Armageddon,

Ummati yeh kahenge khushi se

His followers will say with happiness,

Aa rahe hai woh dekho mohammad

"Look, Muhammad is coming,

Jinke kaandhe pe kamli hai kaali

on whose shoulders is a black shawl."

Aashiq e mustafa ki azaan me allah allah kitna asar tha

By God, such influential power was in the adhan of Mustafa's adorer

Aashiq e mustafa ki azaan me allah allah kitna asar tha

By God, such influential power was in the adhan of Mustafa's adorer

Arsh waale bhi sunte the jisko

Even that which God and the angels listened to,

Kya azaan thi azaan e bilaali

Which adhan was it but the adhan of Bilal?

Bhar Do Jholi Meri Ya Muhammad

Fill my bag, O Muhammad

Lautkar Main Na Jaaoon Ga Khaali

I will not go back empty-handed

Is Karam Ka Karoon Shukr Kaise Ada

Is Karam Ka Karoon Shukr Kaise Ada

Balaghal Ula Bi Kamalihi (Sar-e-la makaan se talab hui)

Suhaani raat thi aur pur-sukoon zamaana tha

It was a beautiful night and the age was full of tranquility

Asar mein dooba hua jazb-e-aashiqana tha

The loving attraction was fully engulfed in effect

Unhein to arsh pe mehboob ko bulaana tha

He [God] had to call His beloved to the heavenly throne

Hawas thi deed ki meraaj ka bahaana tha

He longed to see him – the 'ascension' was just an excuse!

Sar-e-la-makaan se talab hui

A command came from the Placeless Origin

Soo-e-muntaha wo chale nabi

Beyond the Sidrat-ul-Muntaha the prophet went

Ye kamaal-e-husn ka mojiza

This is the miracle of the perfection of beauty

Ke firaaq haq bhi na seh saka

That even Allah did not want separation

Shab-e-meraaj liya arsh-e-bareen par bulvaaye

On the night of ascension, He called Muhammad to the Sublime Throne

Sadma-e-hijr Khuda se bhi gavaara na hua

The separation God did not want

Sar-e-la-makaan se talab hui

A command came from the Placeless Origin

Soo-e-muntaha wo chale nabi

Towards the final boundary [of the universe], the prophet went

Koi had hai un ke urooj ki

Is there any limit to his ascent?

Balaghal-ula bi-kamaalihi

He reached the highest place through his perfection

Arabic

Khair-ul-wara sadr-ud-duqa najm-ul-huda noor-ul-ula

"Best of creations, epitome of subtlety, star of guidance, light of the highest place

Shams-ud-duha badr-ud-duja yaani Muhammad Mustafa

Sun of morning, moon of night" – as in, Muhammad Mustafa

Koi had hai un ke urooj ki
Is there any limit to his ascent?

Aaqa rawa saalaar-e-deen

O lord and lawful chief of the religion

Ya rehmat-al-lil-aalameen

O mercy for the worlds

Aa muqtada-e-mursaleen

O prevailing leader of the messengers

Aa peshwa-e-ambiya

O premier of the prophets

Koi had hai un ke urooj ki
Is there any limit to his ascent?

(Farsi)

Jannat nishaan-e-koo-e-to

Heaven is a sign of your street

Wash-shams-e-eemaan roo-e-to

And the sun of faith is your face

Wal-lail wasf-e-roo-e-to

And the night praises your face

Khoobi ye rooyat wad-duha

The morning is the goodness of your face

Ism-e-to ism-e-aazami

Your name is the greatest name

Jism-e-to jaan-e-aalami

Your body is the life of the world

Zaat-e-to fakhr-e-aadmi

Your rank is the pride of mankind

Shaan-e-to shaan-e-kibriya

Your glory is the glory of the Almighty

Koi had hai un ke urooj ki
Is there any limit to his ascent?

Jo gaya hai farsh se arsh tak

He who went from the ground to God's Throne

Wo Buraaq le gaya be-dharaak

He took up Buraaq fearlessly

Tabaq-e-zameen waraq-e-falak

Surface of the earth and page of the heavens

Gaye neeche paaun se pul sarak

Streets and bridges went out from under his feet

Laten zulf ki jo gaeen latak

As the locks of [his] hair dangled

To jahaan saara gaya mehek

The entire world became fragrant

Hueen mast bulbulen is qadar

The nightingales were intoxicated to such an extent

To ye ghunche bole chatak chatak

That the rosebuds broke open and bloomed

Koi had hai un ke urooj ki
Is there any limit to his ascent?

Gaye ghar se char ke Buraaq par

He left home having mounted Buraq

Shab-e-vasl rukh se hui seher

On the night of union, his face brought about dawn

Ye safar tha khoob ka khoobtar

This journey was better than the best

Yahi tha har ek ki zubaan par

This is what was on everyone's tongues

Koi had hai un ke urooj ki
Is there any limit to his ascent?
Balaghal-ula bi-kamaalihi
He reached the highest place through his perfection

Yahi ibtida yahi intiha

This is the beginning, and this is the end

Ye farogh jalwa-e-haq-numa

This brightness is the manifestation of the truth-revealer

Ke jahaan saara chamak utha

Such that the entire world rose shining

Kashafad-duja bi-jamaalihi

He drove out the darkness through his beauty

Rukh-e-Mustafa ki ye raushni

This is the illumination of Mustafa's face

Ye tajalliyon ki hamaahami

This is the boastfulness of splendors

Ke har ek cheez chamak uthi

Such that every single thing rose shining

Kashafad-duja bi-jamaalihi

He drove out the darkness through his beauty

Na falak na chaand taare na seher na raat hoti

Neither sky nor moon, nor stars, nor daybreak would have existed

Na tera jamaal hota na ye kaainaat hoti

If not for your beauty, this universe would not have existed

Ke har ek cheez chamak uthi

Such that every single thing rose shining

Kashafad-duja bi-jamaalihi

He drove out the darkness through his beauty

Wo saraapa rehmat-e-kibriya

That incarnation of the Almighty's mercy

Ke har ek pe jis ka karam hua

He whose generosity reached everyone

Ye Quraan-e-Paak hai barmaala

He [Muhammad] is the open Qur'an in front of all

Hasunat jameeu khisaalihi

Beautified were all his characteristics

Ye kamaal-e-haq-e-Muhammadi

This is the wonder of Muhammad's dominion

Ke har ek pe chashm-e-karam rahi

That the eye of mercy remains on everyone

Sar-e-hashar naara-e-ummati

On Armageddon, the chant of his followers

Hasunat jameeu khisaalihi

Beautified were all his characteristics

Wohi haq-nigar wohi haq-numa

It alone is the truth-guarder and truth-revealer

Rukh-e-Mustafa hai woh aaeena

The face of Mustafa is that mirror

Ke Khuda-e-Paak ne khud kaha

Such that Holy God said Himself,

Sallu alaihi wa aalihi

"Send blessings upon him and his family"

Mera deen ambar-e-warsi

My faith is an inherited fragrance

Ba-Khuda hai ishq-e-Muhammadi

By God, it is the love of Muhammad

Mera zikr-o-fikr hai bas yahi

My only utterance and thought is,

Sallu alaihi wa aalihi

Diyar-e-Ishq Mein

Diyar e ishq mein apna makaam paida kar

Find your place in the realm of love

Diyar e ishq mein, ishq mein!

In the realm of love, the realm of love!

Diyar e ishq mein apna makaam paida kar

Find your place in the realm of love

Apna makaam paida kar
Find your place!

Na Tu Zameen Kay Liye Hay Na Asmaan Keh Liye

You are neither for the earth nor for the heavens

Jahan Hay Teray Liye Tu Nahin Jahan Ke Liyeh!

The world is for you, not you for the world!

Apna makaam paida kar
Find your place!

Khudi Ko Kar Buland Itna Kay Har Taqdeer Say Pehlay

Raise your khudi(self/soul) to such heights that before every decree

Khuda Banday Say Khud Puche, Bata Teri Raza Kya Hay!

The divine asks from you himself: Tell me (O Servant) what you desire?

Par pehlay.. Apna Makaam Paida Kar!
But first, Find your place!

Yeh Hikmat-e-Malakooti Yeh Ilm-eLahooti

This angelic art, this divinely knowledge

Haram Kay Dard Ka Darman Nahin To Kuch Bhi Nahin!

If it can't cure the illnesses of Muslims then it is nothing!

Yeh Zikr-e-Neem Shabi, Yeh Muraqabe, Yeh Suroor

Your deep remembrance, meditation and intense (spiritual) pleasures, your worship in the middle of the night

Teri Khudi Kay Nigheban Nahin To Kuch Bhi Nahin

If they aren't guardians of your Khudi (self/soul) then they are useless and are of no value

Khiraad Nay Keh Bhi Diya La Ila To Kya Hasil?

If intelligence incites man to say: 'No god but he' it brings no gain

Dil-o-Nigah Musalman Nahin to Kuch Bhi Nahin!

It is worthless unless affirmed by heart and conscious

Apna makaam paida kar
Find your place!

Zindagani Hay Sadaf, Qatra-e-Neesan Hay Khudi

Life is like a shell and Khudi is like thr raindrop

Woh Sadaf Kya Jo Katray Ko Gogar Kar Na Sakay

It is unbecoming of the shell if it cannot turn the raindrop into a pearl

Ho Agar Khudnigar-o-Khudgar-o-Khudgeer Khudi

If the self becomes self preserving, self creating and self sustaining

Yeh Bhi Mumkin Hay Kay Phir Maut Say Bhi Tu Mar Ne Sakay!

Then you may even defy death itself!

Par pehlay.. Apna Makaam Paida Kar!
But first, Find your place!

Phir Charaag-e-Lala Say Roshan Huay Ko Ho Taman

Then, the tulips blossoming have brought life to mountains and valleys

Mujh Ko Phir Naghmon Pe Uksanay Laga Murgh-e-Chaman

This beautiful scenery and these singing birds tempt me to sing as well

Apne Mun Mein Doob Kar Pa Ja Suraag-e-Zindagi

Lose yourself in your insides and discover the secrets of life

Apne Mun Mein Doob Doob

Lose yourself in your insides

Tu Agar Mera Nahin Banta Na Ban, Apna to Ban!

If you dislike following me then don't! Follow yourself

Mun ki Dunya, Mun ki Dunya Sooz-o-Masti Jazb-o-Shawq

The world of your insides is fire and ecstasy, desire and passion

Tann ki Dunya, Tann ki Dunya, Sood-Sauda Makr-o-Fann

The material world is the world of gain, fraud and cunning

Mann ki Dunya Mein Na Paya Mein Nay Afraangi ka Raaj

In this world of the internal, I do not find the British rule

Mann ki Dunya Mein na Dekhe Mainay Shaikh-o-Barhaman

In this internal realm I did not find Sheiks and Brahmins fighting

Mann ki Daulat Haath aati Hay to Phir Jaati Nahin

Inward wealth (knowledge and spirituality) once acquired is never lost

Tann ki Daulat Chaon Hay, Aata hay Tann Jata Hay Tann

Material wealth is like a shadow, it comes and goes

Paani Paani kar gayi Mujh ko Qalandar ki yeh baat!

This message of the saints made me humble and ashamed

Tu Jhuka Jab Ghair ke, Agay na Mann, Tera na tann!

If you surrender to another's might you will lose your spiritual and material wealth!

Par pehlay.. Apna Makaam Paida Kar!

But first, Find your place!

Ghafil Na Ho Khudi Say, Kar Apni Paasbani

Do not neglect your Khudi, be a defender of your self

Shayad Kisi Haram ka, Tu Bhi Hay Astaana

Perhaps you are the support of your community

Teri Nigah se Dil Seeno Mein Kamptay that!

Your glance alone can strike awe into the hearts of men!

Khoya Gaya Hay Tera, Jazbay Qalandarana

Yet now your passion of the saints is lost on you

Ey La ila kay wars, Baqi Nahin Hay Tujhme

O heir to the creed of No God but he! In you I see no sign or trace

Guftar-e-Dilbarana, Kirdar-e-Kahirana

Of mighty deeds that terror strike, Your talk devoid of charm and grace

Yeh Bandagi Gadai! Woh Bandagi Khudai!

Slavery to God is divinity, slavery to the world is disgrace!

Ya Bandai Khuda Ban, Ya Bandai Zamana!

Now you can choose to be a man of God, or a man of the world!

Apna makaam paida kar

Find your place!

Diyar e ishq mein apna makaam paida kar

Find your place in the realm of love

Nay Zamana Naye Subho Shaam paida kar!

Build a new era, a new dawn a new eve!

Khuda Agar Dil-e-Fitrat Shanaas Day Tujhko

If God bestows on you the ability to recognise the nature of things

Sakoot-e-Lala O Gul say Kalam Paida Kar!

Produce knowledge and insight from the silence of the garden flower!

Utha na sheesha Garan-e-Farang kay ehshaan

Do not look to the British to fill up your bowl

Safal-e-Paak say Meena o Jaam Paida kar

From your own clay mould your cup and your flask

Mera Tareeq Ameerri nahin Fakeeri Hay!

My way is the way of the fakeer, I do not seek wealth and fortune

Khudi na Baiche, Ghareebi Mein Naam Paida Kar!

Don't sell yourself, make a name for yourself in poverty!

Diyar e ishq mein apna makaam paida kar

Find your place in the realm of love

Nay Zamana Naye Subho Shaam paida kar!

Build a new era, a new dawn a new eve!
